

4 CONTINUED:

4

STEVE

Okay. It's a safe hallway,
but...anyway--

They walk back into--

5 INT. STEVE'S DRESSING ROOM - CONTINUOUS

5

STEVE

--you remember Joanna Hoffman,
she's the head of marketing for the
Mac.

CHRISANN

Good to see you.

JOANNA

Nice to see you. Hello, Lisa. We've
met before and you told me you
liked the way I talked and that was
my favorite thing anyone's ever
said to me.

LISA

You're from Poland.

JOANNA

Yes I am. Do you know where that
is?

LISA

(pointing to the top of an
imaginary globe)
The top of the Earth.

JOANNA

I think you're thinking of the
North Pole.

STEVE

Well we're a little pressed for
time, so--

JOANNA

(heading for the door)
I'll leave you guys alone.

STEVE

Why?...do you want to leave when
(you just said)--

JOANNA

(over)

I'm going to check in with
Hertzfeld.

(to LISA)

We're trying to get a computer to
say hello but right now it's being
very shy. Would you come help me?

(to CHRISANN)

Is it okay?

CHRISANN

Sure.

STEVE

(to JOANNA)

Thank you.

LISA

(to JOANNA)

My dad named a computer after me.

STEVE

I'm not your--

STEVE stops himself and sees the looks coming from both
CHRISANN and JOANNA.

STEVE (CONT'D)

(pause)

That, actually--do you know what a
coincidence is, Lisa? Like if you
met someone, if you made a new
friend and her name was Lisa too,
that would be a coincidence. Lisa
stands for "Local Integrated System
Architecture". L-I-S-A. It's a
coincidence.

JOANNA

(pause)

You about done?

STEVE

Yeah.

JOANNA

(to LISA)

Come. Let's make that computer say
hi.

LISA's still absorbing the "Lisa" information...

CHRISANN

Go ahead, Lisa.

LISA

So it was the other way around--I was named after the computer?

STEVE

Nothing was named after anybody, it's a coincidence.

JOANNA

Come on, hon.

JOANNA and LISA exit.

CHRISANN

What's the matter with you?!

STEVE

What's the matter with you?! Why are you telling her these things? Why are you still telling her I'm her father?

CHRISANN

A judge told her you're her father--

STEVE

No he didn't.

CHRISANN

--and where the hell do you get off telling *Time* magazine that I've slept with 28% of the men in America.

STEVE

That's not remote--

CHRISANN

Where do you get off?!

STEVE

That's not remotely what I said.

CHRISANN

(picking up the magazine)
It's right here.

STEVE

First of all, can I tell you something about *Time* magazine?

(MORE)

STEVE (CONT'D)

I believe it's a training facility
for paid assassins.

CHRISANN

"Jobs insists"--I'm quoting--

STEVE

I didn't invent math.

CHRISANN

"'28% of the male population of the
United States could be the
father.'"

STEVE

I wasn't saying you've slept with
28% of American men, I was using an
algorithm based on the blood test
which said there was a 94.1% chance
that I'm the father.

CHRISANN

You're trying to publicly paint me
as a slut and a whore.

STEVE

Believe me, I'm not trying to
publicly do anything with you.

CHRISANN

Two-million people read *Time*, how
am (I supposed to--)

STEVE

(over)

It would've been more if they'd put
me on the cover but Dan Kottke
(decided to kidney punch me and--)

CHRISANN

(over--stopping him)

I applied for welfare yesterday.

STEVE

I'm sorry?

CHRISANN

I said I applied for welfare
yesterday. The *Time* article said
your Apple stock is worth 441
million dollars. And I wanted to
ask you how you felt about that.

5 CONTINUED:

5

STEVE

Well...I feel like Apple stock is being dramatically undervalued. This would be a good time to get in.

CHRISANN

Your daughter and her mother are on welfare.

STEVE

Chrisann--

CHRISANN

We're living in a hovel in Menlo Park. We can't pay the heating bills, she sleeps in a parka. Your daughter is (living in a neighborhood)--

STEVE

She's not my daughter.

CHRISANN

Because as reported by *Time* magazine I've slept with 28% of the men in America--

STEVE

No.

CHRISANN

--all of them exactly nine months before Lisa was born.

There's a KNOCK at the door and JOANNA opens it--

JOANNA

I've got Andy here.

STEVE

(to CHRISANN)

Excuse me.

STEVE steps out into--

6 INT. HALLWAY - CONTINUOUS

6

--where ANDY HERTZFELD is waiting along with some members of his team. LISA slips into the dressing room from the hallway without STEVE much noticing.
